

20 YEARS CELEBRATION OF KRIYA YOGA INSTITUTE IN BRAZIL

Twenty years ago, the seed of Kriya Yoga was planted in Brazil, specifically in Brasilia, with the visit of Paramahansa Prajnanananda, successor and current spiritual leader of Kriya Yoga Institute founded by his Master Paramahansa Hariharananda. In the following years, Kriya Yoga was taken to Sao Paulo, Aracaju, Porto Alegre and other cities. Today there are more than four thousand Brazilians who have received this ancient technique of meditation.

With joy, we invite all of you to celebrate together this special occasion.

*All the programs will be conducted in both Portuguese and English languages
